Purpose and Mission

This Bible School is being provided for youth who are serious about their walk with God. We intend to encourage a spiritual atmosphere while discouraging worldliness and carnality. While not everyone is expected to be at the same place in Christ, students are expected to show a willingness to be taught and guided in their walk with Him.

There are three main reasons we want to have this Bible School:

- ❖ To give our youth a week of concentrated Bible teaching
- ❖ To stimulate a closer walk with Christ and a deeper commitment to Him
- ❖ To encourage the youth of this generation to embrace the Kingdom Vision and live it out in a practical way

The schedule is full of teaching, prayer, sharing and singing. The students will be supervised throughout each day's activities. If there are youth in your home, we would encourage you as parents to have them fill out an application and send it in as soon as possible.

General Guidelines

This Bible School is dedicated to studying the Word of God and winning the unbelieving amongst us. The following requirements have been adopted to aid in these objectives. Among other things, we will ask the students to respect the following:

- ❖ Modest dress is required. We appeal to the conscience of parents and students alike in this area. Casual/informal wear is conducive to indifference and irreverence. Consider

modest dress an opportunity to show respect for each other without distracting yourself or others from the goal of this Bible School.

With this in mind we ask—

1. the young ladies to wear skirts or dresses without slits and of a sufficient density that undergarments cannot be seen. We ask that they wear their hair up and prefer they wear a head covering.
2. the young men to not wear T-shirts, blue jeans or other comparable casual clothing.

- ❖ No students may leave the premises without permission from one of the principals
- ❖ Students will be expected to attend all sessions
- ❖ Students will not be permitted to have cell phones and other electronic devices in the church buildings unless granted permission by the principals.

Questionnaire

All students are required to complete this section. Everybody who comes will affect the atmosphere of the Bible School. Please give close attention to the following questions and answer them as honestly and clearly as possible. This information will be kept confidential to the Bible School Administration.

1. Please explain your relationship with Jesus Christ.
2. Please tell us what you are hoping to receive from this Bible School.
3. Describe your relationship with your parents; are you under their authority?
4. Do you respect the ministers at your fellowship? Please explain.
5. How do you spend your free time? What kind of movies do you watch,

music do you listen to, books do you read; your involvement with social networking or texting?

6. Do your parents or authorities approve of how you spend your time? Do your parents know about and/or approve of your social networking activities and or friends?

Please provide your answers on a separate sheet and send them along with your application.
